What is the National Havurah Committee?

We are an intergenerational, loving, offbeat Jewish community network, where every student is a teacher and every teacher is a student. Join us for our annual all-ages Summer Institute.

This is a unique opportunity for serious study, moving prayer, spirited conversation, late-night jam sessions, singing, dancing, meditation – all in the company of more than 300 people from a wide range of backgrounds! And did we mention the food? It's AMAZING!

Shuk Marketplace will be open to outside vendors on Thursday (8/01) from 3:30pm to 6:00pm!
Contact office@main.havurah.org for details.
