

Joyous Praise: Chag/Chol Pesach (day iii) 5780

Friday, 10:30am ET, April 10th

* As usual with Joyous Praise, different participants lead different parts of the service (with one back-up navigator, Russ).

* We can do two or so settings per component- so if someone has taken the component you wanted to do, sign up in the next columns

* To avoid a time-lag and overstimulation, please mute yourself once we start. If you're leading a piece that has call and response, let Russ know!

* A Hebrew/English online version of Hallel is at <https://www.sefaria.org/Hallel.1?lang=bi>. Online transliterated version: <https://static1.squarespace.com/static/58e7b77fff7c5020c21065c6/t/59fd02ae0d929758eae7ce95/1509753591476/Hallel%E2%80%A2Transliterated.pdf>.

* Given we will be using different prayerbooks, rather than announce page numbers, we will periodically post what Psalm we're singing in the chat window so folks can follow along.

* **Also- if you've led one, give other folks a chance to lead one please, we are hoping to have a lot of folks on this!**

HEY YOU FOLKS WITH THIS OPEN- If you haven't signed up to lead one yet and wanna, jump in! Most of the second settings are still available!

Hallel component	To be led by...	Melody by...(if you know) and link if you have one	Second Setting? To be led by...	Melody by...(if you know) and link if you have one
