

REGISTRATION FAQS

1. **I am trying to submit my registration form, but it keeps saying it's incomplete. Why won't it work?** The information box in the middle of the form has a slider and you must scroll to the right to fill out all information for one or more participants.

Adult (12+) Registration(s) *USE THE SCROLL BAR BELOW TO MOVE THE FORM TO THE RIGHT*

Please respond to all questions for each participant you are registering, including reentering the primary participant's name and email address. To add another adult registrant, press the "add additional registrant" button. Each registrant seeking their own login must have their own email.

2. **I filled out my registration, but haven't received a link to sign up for courses, what do I do?** You must pay in order to receive your invite to sign up for courses. Head to our [payment portal](#).
3. **I paid and still haven't received my invite to sign up for courses, what do I do?** Check your spam. If there is no email from sched.com, email the Office at office@main.havurah.org. OR, make sure you have registered at <https://www.formpl.us/form/1323476027>
4. **I only want to attend one course/workshop, what do I pay?** We offer a sliding scale with the lowest ticket price being \$72. We also require dues from each participant, (\$40/individual, \$80/household). If you need to pay less than \$72, please fill out this [Grant Application form](#) and we will follow up within 48-72 hours.
5. **How many classes can I take?** Typically, participants take two courses at Institute, however, some of our courses are not capped. The courses that are capped say 'Limited.' We ask that you be mindful with how many 'Limited' courses you sign up for and welcome you to join us at as many unlimited courses and workshops as you would like.
6. **I'm not comfortable setting up my profile or sharing a bio, do I have to?** You do not! But we would love to get to know you better 😊 Your information is only available to logged in attendees.
7. **I want to sign up my children, but they don't have email addresses. How do I get them a profile in sched?** No problem! Each login requires an email, so if you have two children that would like their own logins, we would need two emails from an adult(s) in the household. Or, if your children will be logged on to the same programs at the same time, one email is suffice for one login.
